Also known as "Anatolia", Turkey is a unique country with its turquoise seas, crystal clear waters, paradise bays and beaches and amazing history, extremely cultural heritage, as well as traditional hospitality and rich cuisine

Whether you are an art and history hunter or a nature lover, different Regions of Turkey offer endless possibilities all year round and it is not surprising that one trip to Turkey will never be enough. Being home to many civilizations, Turkey has 10,000 years old heritage. Fascinating history with temples, ancient theatres, museums, churches, mosques palaces and ancient ruins take you to amazing past.

Caprinae Safaris offers you the unique opportunity to experience a luxury vacation with unforgettable memories on a 24-43 meter long sailing ship. You enjoy the days on cruise along beautiful bays along the Turkish Riviera.

Our guests are required to fly into Istanbul and then to either Antalya or Dalaman airports depending on the program chosen.

Once you land in your final destination, our professional team will take care of all the details and will transfer you to the gullet boat where you will be accommodated during the whole trip.

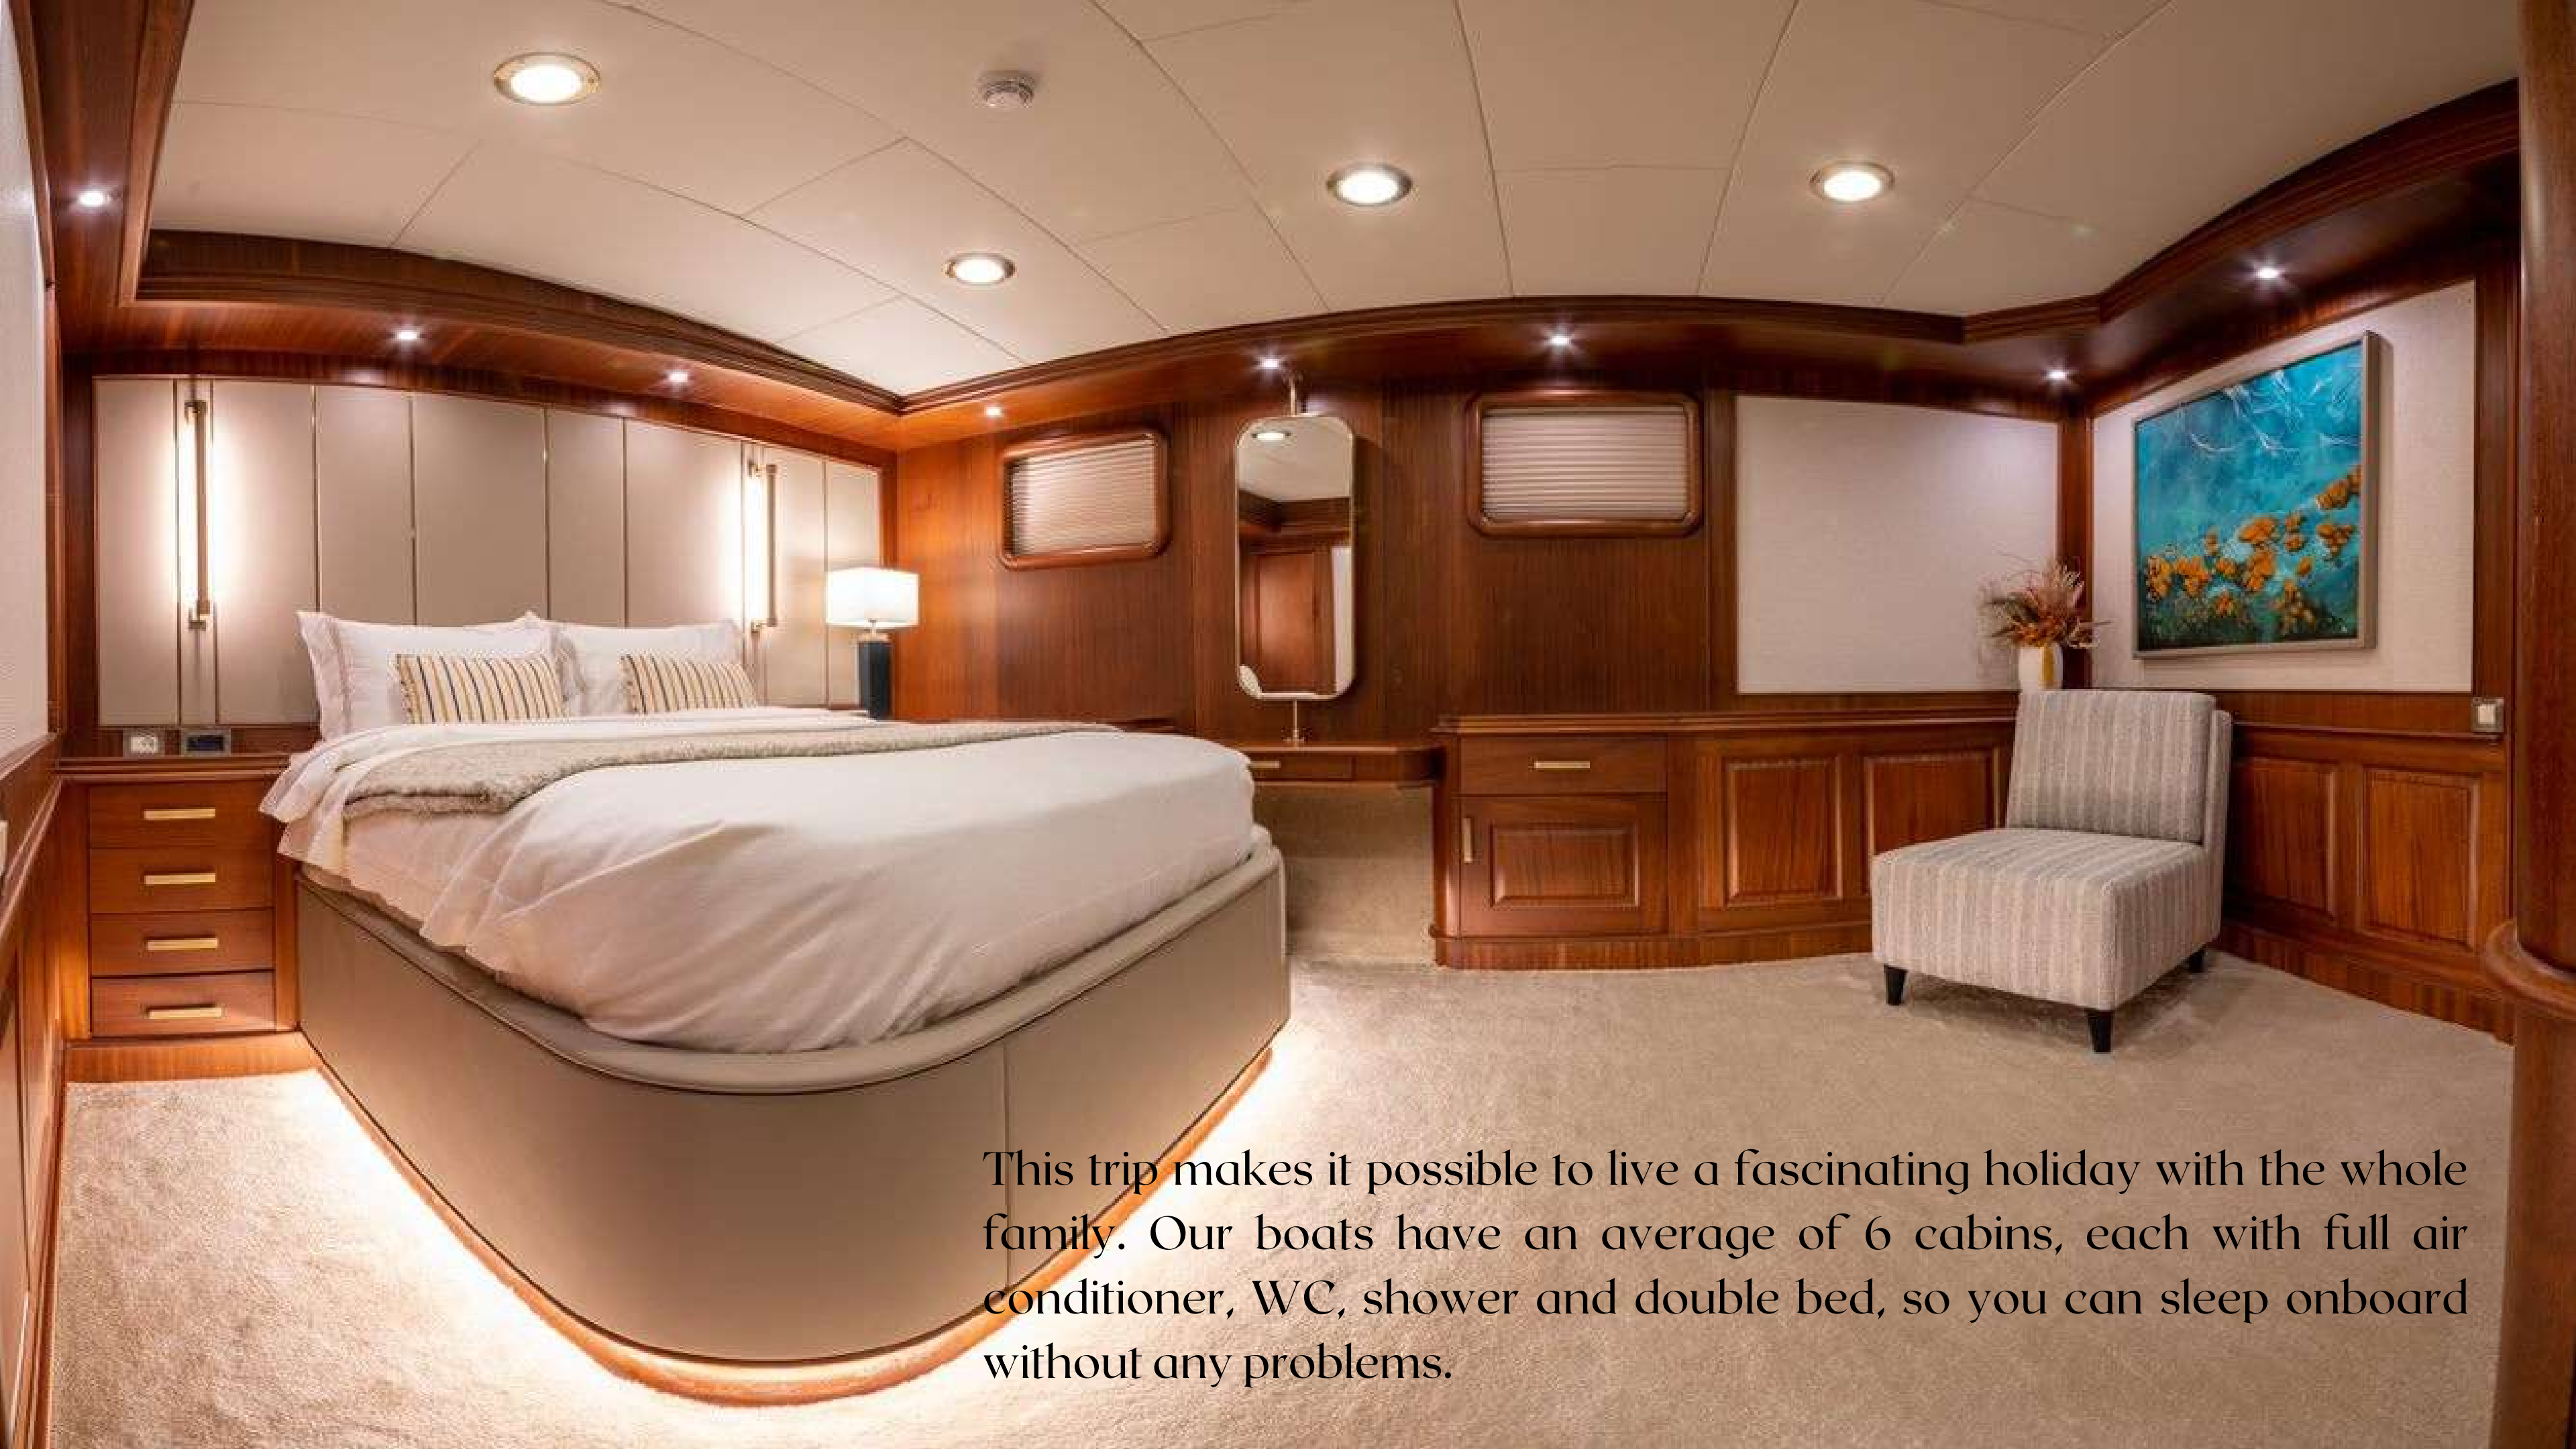

The trip starts at the harbour in Gocek or Finike and goes along the coast from bay to bay. After several hours of cruising per day, anchors are dropped in a suitable bay. From there, you can have guided tours to antique sites or commit your time to the many leisure activities that are offered on the spot. Of course, it's totally up to you to decide what to do, and we will be eager to serve your wishes as best as we can.

This trip makes it possible to live a fascinating holiday with the whole family. Our boats have an average of 6 cabins, each with full air conditioner, WC, shower and double bed, so you can sleep onboard without any problems.

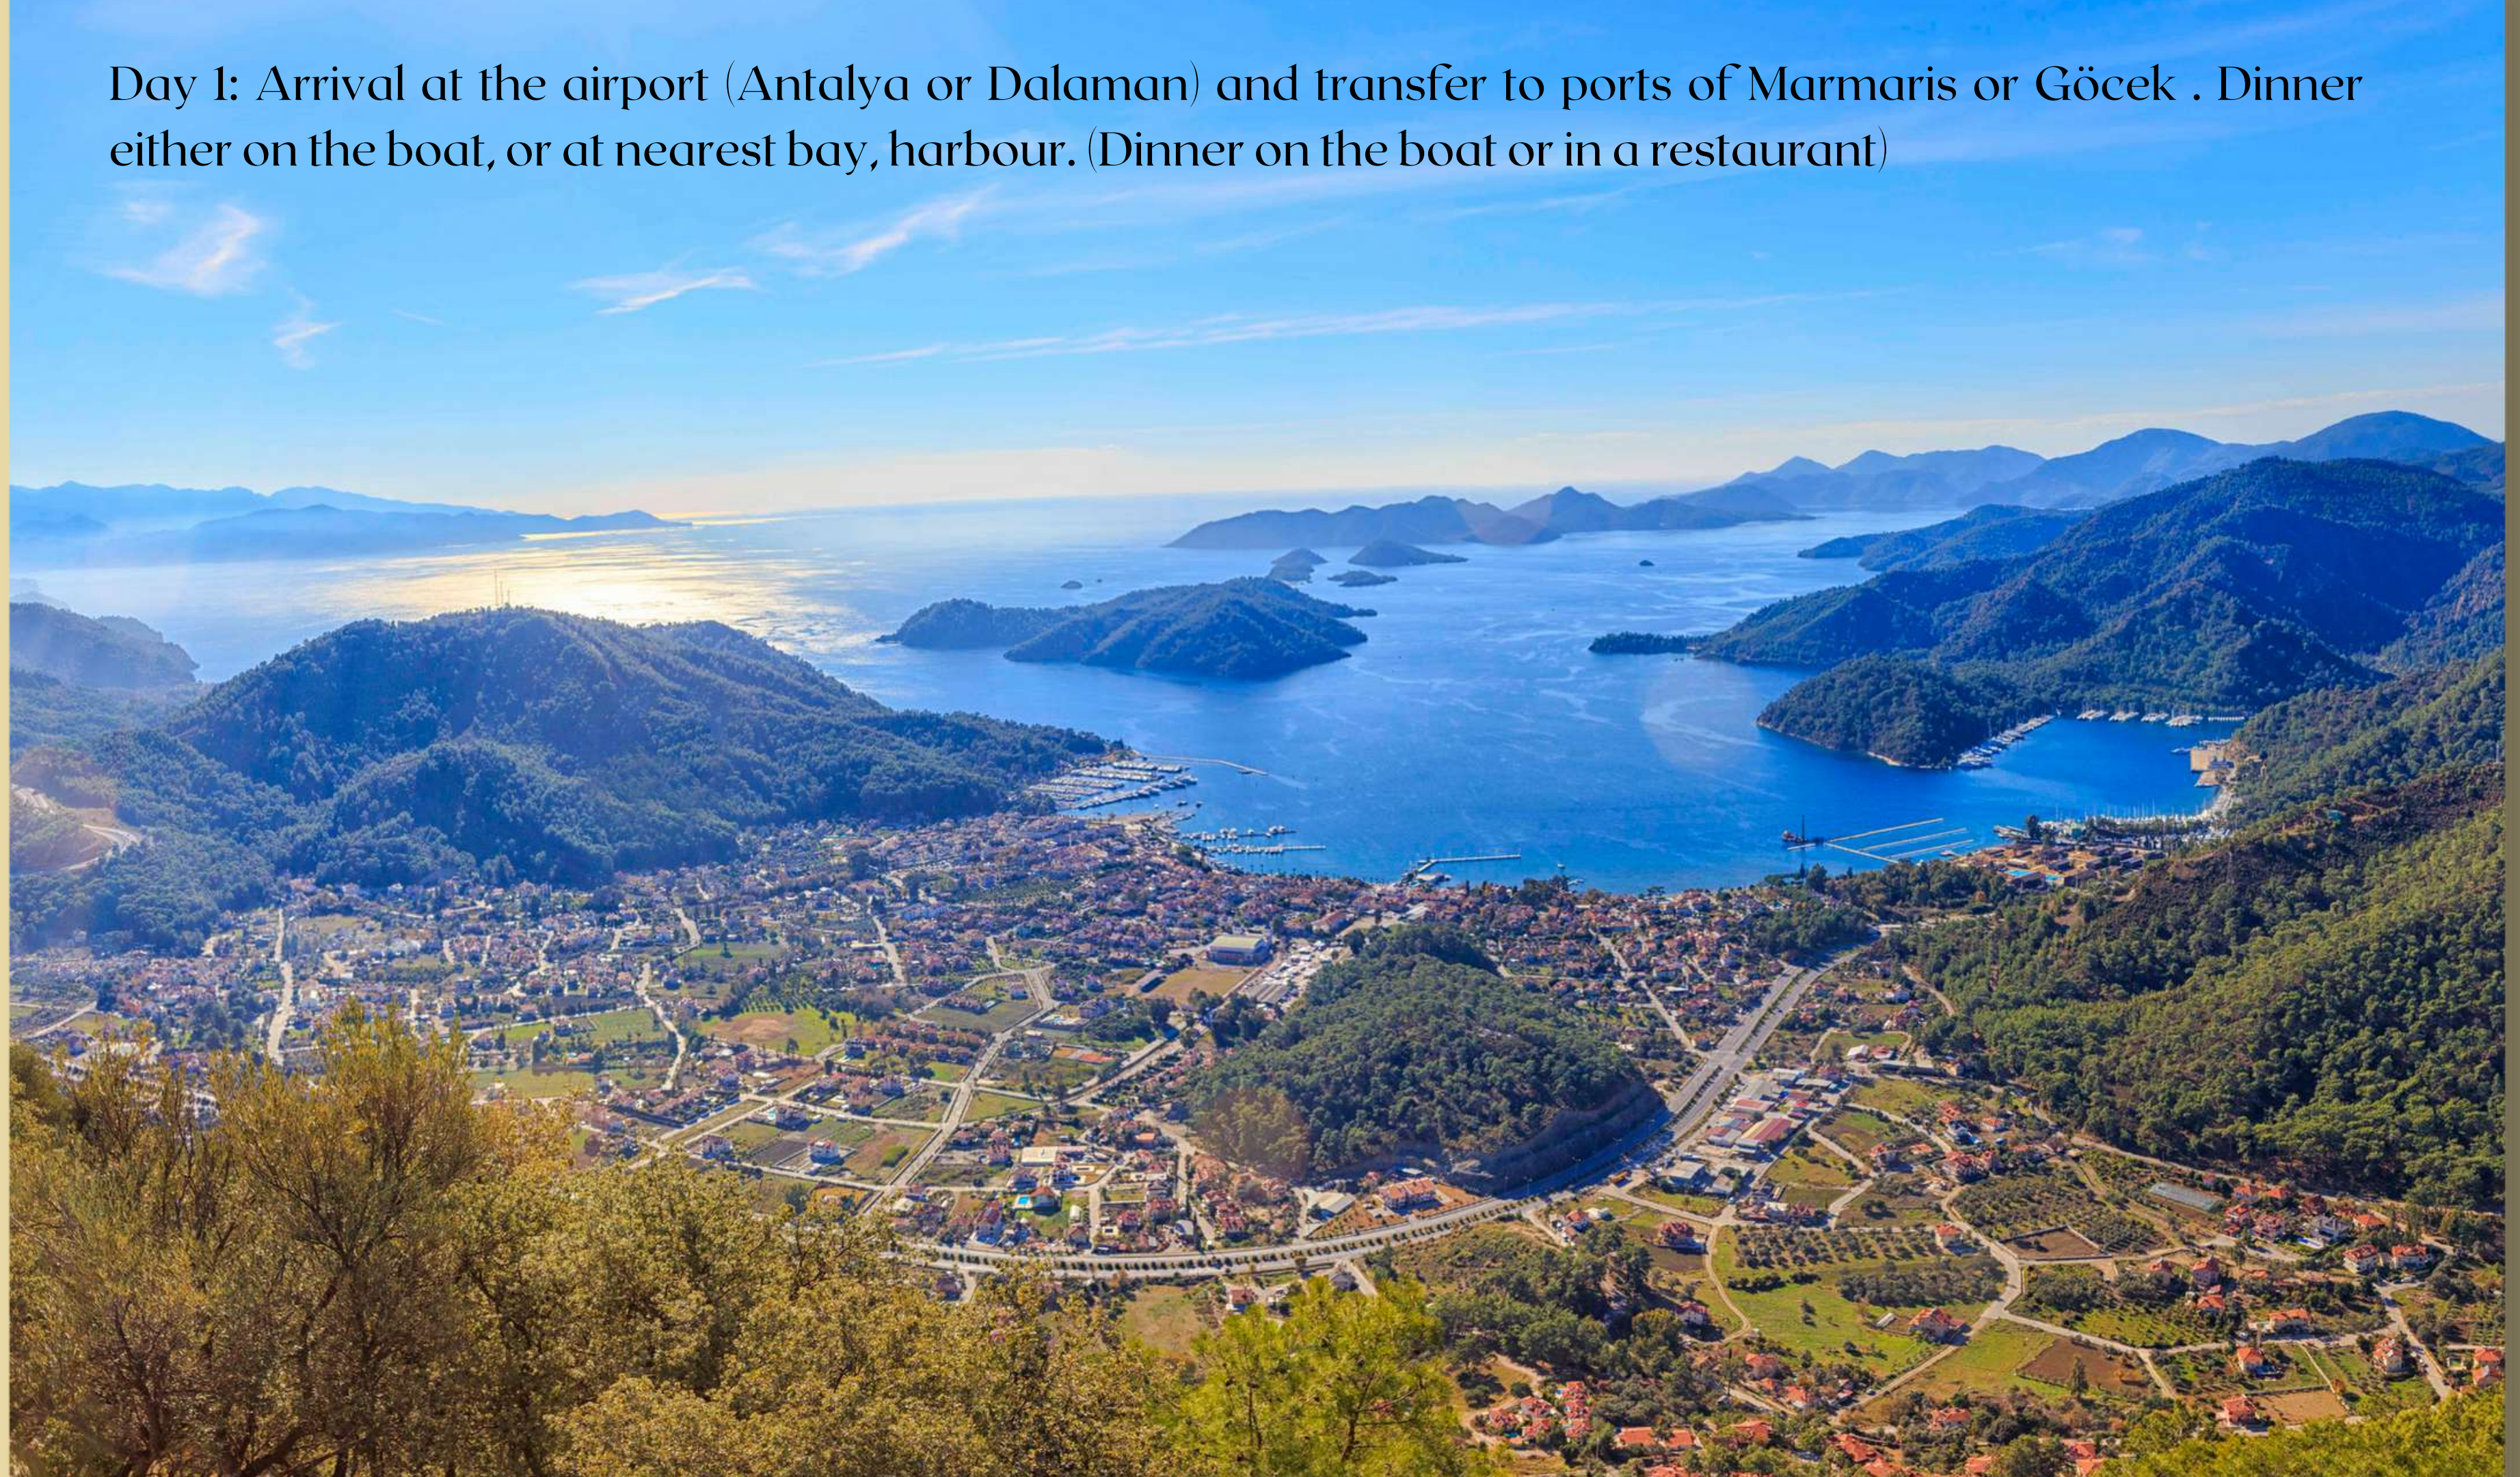

Accommodation is full-board on the boat and we try to match our guests' food preferences as well as possible. Please inform us beforehand about your general menu likes & dislikes. Of course, everything is made freshly for you and we would also be happy to serve you freshly caught fishes.
